

KC / BVA ELBOW DYSPLASIA GRADES

July 2019

Below is a list of Kennel Club registered dogs of the breed specified above, together with their sire and dam, giving the date that they were elbow graded, and the elbow grade for each dog. The minimum grade is 0 and the maximum is 3. Both the left and right elbows are graded, but only the highest grade is taken as the overall elbow grade for the dog. Advice under the Scheme is to use only dogs with grades of 0 or 1 for breeding. Further information on this scheme can be obtained from the Kennel Club or the British Veterinary Association
